

TRANSITION PLANNING

Date _____ Student's Name _____

Beginning at age 14, updated annually, transition focuses on the student's course of study: Check areas of interest and courses selected toward that area:

Advance Placement _____ College Prep _____ General Education _____
 Life Skills _____ Vocation Education _____

"Projected" Adult Living and Working Environments: (check all that apply)

<u>Work Experience</u>	<u>Post Secondary Instruction</u>	<u>Living Environment</u>
_____ Competitive Employment	_____ College/University	_____ Independent Living
_____ Supported Employment	_____ Community College	_____ Support Living
_____ Sheltered Employment	_____ Vocational Training	_____ Residential Care
_____ Other _____	_____ Other _____	_____ Other _____

Present Level of Performance: (Transition Services, Support, and/or Skill Development)

Beginning at age 16, updated annually, transition services and/or support are needed in the areas checked below. Each area reflects whether there is no need, a present or future need for this student. Goals and objectives in those areas checked as a present need are included in this IEP. The following resources support that decision.

Area of Concern	Present Need	Future Need	No Need	#	Rationale
Instruction					
Community Experiences					
Work Experience/Employment					
Post School Adult Living					
Functional Daily Living Skills					
Vocational Assessment					
Related Services					

Indicate # of source for rationale and short statement:

- | | | | |
|------------------------------------|-------------------------------|-------------------------------|------------------------|
| 1. Parent Questionnaire | 3. Psychological Report | 5. Student Interest Inventory | 7. Teacher Observation |
| 2. Student Interview/Questionnaire | 4. Parent/Student Preferences | 6. Student Cumulative File | 8. Other _____ |

INTERAGENCY LINKAGES FOR TRANSITION

Involvement of the following organizations/agencies is necessary to meet the student's identified present or future needs. This involvement may range from information gathering to actual initiation of a formal referral. If a formal referral is made, information will be released.

Agency Responsible	Activity

Beginning at age 18, student will be informed of his/her rights under IDEA, if any, that will transfer to the student reaching age 19.
