

## Important Teacher Information for RealCare™ Baby

### INSTRUCTOR SUPPORT

- <http://www.realityworks.com//support/realcare>  
This web page offers some useful tips on getting started.
- <http://www.realityworks.com/support/realcare-baby>  
This is the control software to download to teacher's computer. The web page also includes video instruction on how to program, charge and view simulation reports.
- <http://www.realityworks.com/support/faqs/realcare-baby>  
This web page includes many helpful answers to frequently asked questions.
- <http://update.realityworks.com/Curriculum/Realcare/>  
This page contains four unique curricula to help you use the RealCare™ Baby infant simulators most effectively for a variety of learning objectives.
- <http://www.realityworks.com/support/instructors/resources>  
This page offers curriculum pages for download, including rubrics and quizzes.

### IMPORTANT REALCARE™ BABY NOTES

- Baby should be charged overnight, then unplugged.
- If Baby is stored in a very cold or very hot environment, allow 24 hours for baby to adjust to a moderate temperature before use.
- Dramatic changes in temperature can cause water condensation inside baby. Allow time for the condensation to evaporate before use.
- Use only the items provided to you when caring for the Baby (clothing, blanket, diaper, bottle, etc.).
- Keep Baby away from any newly purchased and unwashed fabrics (e.g., clothing, blankets, linens, table cloths) as certain color dyes will stain and discolor the baby's vinyl skin, resulting in permanent damage. If such damage occurs, the school district will be held financially responsible.
- If issues arise with babies, teachers should run a report to turn in to ESU #1 for monitoring and troubleshooting.

### IMPORTANT REMINDER

The X-Stick USB wireless communication device in the blue bag is more than just a flash drive and is very expensive to replace (\$199). Please take care that it doesn't get lost or broken, and store it in a safe place when not in use.

### PLEASE NOTE

Due to high demand and a limited number of RealCare™ babies, checkout schedules may be limited.

Check out the ESU #1 RealCare™ babies web page for additional information, useful links and other resources.
